DEDICATION

CECIL "SHORTY" STEINMETZ

This year the Indiana Shorthorn - Polled Shorthorn Association honors one of the breed's long-time boosters as their Man of the Year. Shorty Steinmetz began his registered Shorthorn herd in 1915. Although the herd has never numbered more than 50 head, it has been a source of reputation cattle for more than 60 years. A buyer of fat cattle, for slaughter, for many years, Steinmetz always held a high regard for the efficiency and grading ability of Shorthorns. In his dealing with cattlemen in his area, he was able to place many Shorthorn bulls in commercial herds and started several new Shorthorn breeders over the years.

The Steinmetz Herd has used many outstanding bulls over the years including Willow Lee Wonder 23 and Bapton Guardsman. He has never used a bull in the herd that did not weigh a ton at maturity. He has always been active in his local breed associations as well as all-breed functions. In 1962 he was honored as "Builder of the Breed" by the SHORTHORN WORLD. All of us take this opportunity to thank Cecil Steinmetz for his years of devotion to his chosen breed.

BEST PAIR — Bull and Female Bred and Owned by Consignor

Cagwin Cattle Services, Inc. • Box 156, Virginia, Ill.

Dear Shorthorn - Polled Shorthorn Enthusiasts:

Once again the Indiana members have put together an outstanding offering for their Annual State Sale. The Blue Ribbon Roll Call has been established as the leading fall state sale of the breed. As you study this catalog, you will recognize many of the major sires of the breed. This is definitely the place to be looking for breed improvers.

Although there are only eight bulls in this sale, you can be sure that every one has the potential to write breed history. We purposely limited the number of bulls due to the time of year this sale is held. You will note that all of the bulls are being shown this summer and I am sure that by sale day each will have established a superior show record.

As usual, the junior heifer calf section in this sale is outstanding. Calves from this sale have gone on to win in National competition and the number of county and regional winners is just too numerous to list. There are also a number of bred heifers and you will note the power of the service sires.

The association will have a Social Hour and Dinner the evening before the sale at the Holiday Inn in Lebanon and I urge you to attend. If there is anything either I or my staff can do to help you with your travel plans, room reservations or cattle selections, please do not hesitate to call upon us.

Sincerely,

CAGWIN CATTLE SERVICES, INC.

HVF PRINCE MATCHEBELLI x—A bull of great potential. He has scale, muscle, ample bone, and has herd bull written all over him. Sired by Nelco Apachi x, said by many to be Massive Major's best son. His dam, Daul Valley Lucky x, was the third top-selling Polled Shorthorn female in North America in 1974. She produces a top calf every year. She has a son in the Emil Kutz herd at Batesville. Her son last year went into a commercial herd, the pick of our yearling bulls. A daughter sold in the Rothbury Dispersal to Lincoln Ranch, Aberdeen, South Dakota for \$1,450 as a calf. Her son this year is our top bull calf. If you sat down to pick the females in your herd sire's pedigree, it would be difficult to find a better group of females than what appears in this three generation pedigree. We have used him on some heifers.
